Please include transcripts, DD 214 or resume for verification purposes.

Terms & Conditions: If applying for experiential learning credits (life experience) or previous/current academic credits earned from another institution of higher learning, or military, applicant agrees to furnish all required information and documentation as may be required by Executive Security International, Ltd. to evidence the award of previous credits earned at other institutions of higher learning or military, within thirty (30) days from the date of enrollment or prior to graduation which ever comes first. Failure to provide the evidence as indicated herein may result in the applicant forfeiting any award of the aforementioned credits by the School. Executive Security International, Ltd. retains sole authority and discretion with regard to acceptance or rejection of any requested transferable credits from other institutions of higher learning and/or experiential learning credits.
